The screenshot shows the Wasco mobile billing app interface. At the top, there's a navigation bar with "24 Hour Emergency +91 90 XXXX-XXXXX" and zoom controls. Below that, the app title "WASCO" is visible. A sidebar on the left contains menu items: "Bill & Payments", "Transactions", "Consumption", "Compare", "Profile", and "Logout". The main content area has two buttons: "Compare Last Bill" and "Compare To Last Year". The "Account Number" is set to "0112016". Below the buttons, there's a section titled "Comparing Usage To Last Year" with a dropdown menu set to "Usage". The main chart is titled "Compare My Usage to Last Year" and shows usage in "1000's Gallons" for each month from February to March. The chart compares "Last Year" (light blue bars) and "Current Year" (dark blue bars). The data points are as follows:

Month	Last Year (1000's Gallons)	Current Year (1000's Gallons)
February	0.00	0.00
January	0.00	0.00
December	0.00	0.00
November	0.00	0.00
October	0.00	0.36
September	0.00	0.07
August	0.00	0.25
July	0.00	0.27
June	0.00	0.35
May	0.00	2.35
April	0.00	0.00
March	0.00	0.00

The Windows taskbar at the bottom shows the system tray with weather (75°F Haze), search, and various application icons. The system clock shows 6:33 PM on 2/24/25.
