Description

Issue Description:

Download sample button should be in alignment with the "image and category input box"

See attached screenshot/screen Record:

The screenshot shows a web application interface for 'Import Category'. It features two main input sections: 'Category' and 'Images'. The 'Category' section has an 'Upload Excel' button and a green 'Import' button below it. The 'Images' section has an 'Upload Image' button. A red box highlights the 'Download Sample' button, which is positioned to the right of the 'Upload Image' button, indicating a misalignment. The browser's address bar shows the URL 'consumeraffairs.digitalnoticeboard.biz/admin/category/import'. The Windows taskbar at the bottom shows the time as 03:14 PM on 26-02-2025.
