Description

Issue Description:

Please indicate the folder and file size below the image upload field.

See attached screenshot/screen Record:

The screenshot shows a web browser window with a dark theme. The address bar displays the URL: `consumeraffairs.digitalnoticeboard.biz/admin/category/import`. A modal dialog box is centered on the screen, with a red border around the title "Upload 12,760 files to this site?". The dialog text reads: "This will upload all files from 'Downloads'. Only do this if you trust the site." Below the text are two buttons: "Upload" and "Cancel".

The background web application interface includes a sidebar menu on the left with items: Dashboards, Users, Zone, Market, Categories, Brands, UOM, Commodities, Surveys, and Submitted Survey. The main content area is titled "Import Category" and contains a form with fields for "Category" and "Images". There are three buttons in the form: "Upload Excel", "Upload Image", and "Download Sample" (in red). A green "Import" button is located below the form.

The Windows taskbar at the bottom shows the search bar, task view, and several application icons. The system tray on the right indicates a temperature of 29°C, the time 03:18 PM, and the date 26-02-2025.
