Description

Issue Description:

if the admin clicks the add brand button without filling up the data and then closes the add user screen after the user list page gets grey out till the admin refreshes the page

See attached screenshot/screen Record:

The screenshot shows a web browser window with the URL `consumeraffairs.digitalnoticeboard.biz/admin/brand/list`. The page displays a 'Brands' management interface. A modal window titled 'Add Brand' is open, prompting the user to enter data. The modal contains two input fields: 'Brand Name' with the text 'Your Brand name' and 'Select Status' with a dropdown menu showing 'Active'. A red error message 'The name field is required.' is displayed below the Brand Name field. A green 'Add Brand' button is highlighted with a red rectangular box. The background shows a table with columns for 'ID', 'Name', and 'Status', with two rows of data visible.
