Description

Issue Description:

if the admin uploads invalid Excel & image files then the loader is continuously running and no validation is arriving

See attached screenshot/screen Record:

The screenshot shows a web browser window with the URL `consumeraffairs.digitalnoticeboard.biz/admin/commodity/import`. The page title is "Import Commodity". On the left is a sidebar menu with items: Dashboards, Users, Zone, Market, Categories, Brands, UOM, Commodities, Surveys, and Submitted Survey. The main content area has two sections: "Commodity" with an "Upload Excel" button and a file named "members (1).csv", and "Images" with an "Upload Image" button. A red "Download Sample" button is also present. Below the main content is a green "Import" button. The browser's taskbar at the bottom shows the date and time as 04:34 PM on 28-02-2025, along with weather information (22°C Haze) and system icons.
