Description

Issue Description:

Change the button name "update" to "Update Survey"

See attached screenshot/screen Record:

The screenshot displays a web browser window with the URL `consumeraffairs.digitalnoticeboard.biz/admin/survey/list`. The main content is an 'Edit Survey' modal form. The form fields are as follows:

- Survey Title:** Wade Lester
- Zone:** J& K Test demo name #123
- Market:** (Empty text input)
- Category:** A list of tags including Butter, Corn Flakes, Crookery, Detergent, and Fashion.
- Assign Surveyor:** Select Surveyor

A red box highlights a close button (X) in the top right corner of the modal. The background shows a dashboard with a sidebar menu and a list of surveys with action buttons.
