See attached screenshot/screen Record:

The screenshot shows a web application interface for a 'Submitted Survey Report'. The page includes a sidebar with navigation options like Dashboards, Users, Zone, Market, Categories, Brands, UOM, Commodities, Surveys, and Submitted Survey. The main content area features a filter section with various dropdown menus: Amount, Assignee, Commodity, Availability, Market, Category, Unit, Brand, Collected By, and Updated By. A red box highlights the 'Collected By' dropdown menu, which is currently open, showing a list of options. Below the filter section is a table with columns: S.No., Survey Title, Commodity, Image, Zone, Survey assignee, Market, and Cal. The table contains three rows of survey data.
