### Description

Issue Description:

Admin --> Login --> Entire Page --> Need to add Asterisk mark on mandatory fields

See attached screenshot:

The screenshot displays the 'Add User' form in a web application. The form includes the following fields:

- User Name
- User Email
- Select Role (dropdown menu)
- Active (dropdown menu)
- Upload Image (with a 'No file chosen' message)

A green 'Add User' button is located at the bottom of the form. The background shows a sidebar with navigation options: Dashboards, Users, Zone, Market, Categories, Brands, UOM, Commodities, and Surveys. The top right corner shows a user profile for 'Admin Admin' and buttons for 'Filter' and '+ Users'. Below the form, a table lists user details for 'Maxx Docze' with email 'Maxx@yopmail.com', role 'Compliance', and status 'Active'.
