Description

Issue Description:

Admin --> Login --> Dashboard --> Roles --> As per running page the button should be in same also for Roles page

See attached screenshot/screen Record:

The screenshot displays a web application interface for managing roles. On the left is a sidebar with a shopping cart icon and menu items: Market, Categories, Brands, UOM, Commodities, Surveys, Submitted Survey, Report, Roles (highlighted in green), and Logout. The main content area is titled 'Roles' and contains a table with the following data:

S.No.	Name	Actions
1	Test Roll	
2	Compliance Officer	
3	Admin	
4	Investigation Officer	

In the top right corner of the table area, there is a blue button labeled '+ Roles' which is highlighted with a red rectangular box. The browser's address bar shows the URL: `https://consumeraffairs.digitalnoticeboard.biz/admin/role/list`. The Windows taskbar at the bottom shows the time as 10:49 AM on 05-03-2025.
