Description

Issue Description:

Admin --> Login --> Dashboard --> Entire add/Edit Page --> The input fields should be darker, I have seen on some other computers the input field is not visible

See attached screenshot/screen Record:

The screenshot shows a web application interface for managing zones. A modal window titled "Add Zone" is open, prompting the user to enter data. The modal contains two input fields: "Zone Name" and "Select Status". The "Zone Name" field is highlighted with a red box. Below the modal, a table lists existing zones with columns for ID, Name, Status, and Actions. The table has three rows of data.

ID	Name	Status	Actions
5	San Juan	Active	[Toggle] [Eye] [Link] [Trash]
6	Plymouth / Brades	Active	[Toggle] [Eye] [Link] [Trash]
7	Cockburn Town	Active	[Toggle] [Eye] [Link] [Trash]

History
