### Description

Issue Description:

The eye (view), pencil (edit), and trash (delete) icons are too close to each other, which might cause usability issues.

See attached screenshot:

The screenshot shows a web browser window displaying a 'Brands' management page. The page has a sidebar with navigation options like Dashboards, Users, Zone, Market, Categories, Brands (highlighted), UOM, Commodities, Surveys, Submitted Survey, and Report. The main content area shows a table of brands with columns for S.No., Brand Name, Status, and Actions. The Actions column contains three icons: a toggle switch, an eye (view), a pencil (edit), and a trash can (delete). A red box highlights the area where these icons are located, showing that they are very close to each other, which could lead to usability issues. The browser's address bar shows the URL 'consumeraffairs.digitalnoticeboard.biz/admin/brand/list'.
