Description

The screenshot shows a web browser window with the URL <https://sakoon.digitalnoticeboard.biz/availability/sick/leave/list>. The page title is "Availability Leave List". On the left, there is a navigation menu with options: Dashboard, Profile, Payments, My Booking, Availability (selected), Clients, Assessment Form, Notes, and File Management. The main content area shows a table with the following data:

S.No.	Start Date	End Date
1	20 Mar, 2025	20 Mar, 2025
2	14 Mar, 2025	14 Mar, 2025

Below the table, it says "Showing 1 to 2 of 2 entries". There are navigation buttons: "Previous", "1", and "Next". The footer of the page reads "© 2025 Sakoon - Peace of Mind".

When a counsellor marks availability as Leave, they enter a message. However, this message is not visible anywhere in the system. We can update the Availability Leave List page to display the entered message in a new column for better visibility.
