### Description

Issue Description:

Admin is able to update content with spaces, need to fix this issue inside CMS

See attached screenshot/screen Record:

The screenshot shows a web browser window with the URL `affairs.digitalnoticeboard.biz/admin/public-health-acts`. The page displays a form for editing the 'Public Health Act' content. A green notification banner at the top right states 'Public Health Act updated successfully' with a checkmark icon. The form includes a 'Title' field containing 'Public Health Act', an 'Image upload' section with a 'Choose File' button and 'No file chosen' text, and a 'Content' editor. The 'Content' editor is highlighted with a red border and contains a rich text editor toolbar with options like Bold (B), Italic (I), Underline (U), Text color (A), Background color (A), Bulleted list (List), Numbered list (List), Indent (List), Outdent (List), Quote (Quote), Styles, Format, and a help icon. A green 'Update' button is located at the bottom of the content editor. The browser's taskbar at the bottom shows the system clock as 04:29 PM on 25-03-2025.
