The screenshot shows a web browser window with the URL `affairs.digitalnoticeboard.biz/admin/public-health-acts`. The page title is "Public Health Act". The form contains a "Title" field with the value "Public Health Act" and an "Image upload" field. The "Image upload" field is highlighted with a red box and contains a "Choose File" button, a "No file chosen" button, and a small image of a book. Below the form is a rich text editor with a toolbar and a text area containing the following content:

The Consumer Education for Kids Program is designed to equip young learners with the necessary knowledge and skills to become informed consumers. By understanding the basics of money management, shopping wisely, and their rights and responsibilities as consumers, children can develop good financial habits that will benefit them throughout their lives.

Prior to formal consumer education programs, children primarily learned about spending and saving through experience and parental guidance. However, with the increasing complexity of modern consumerism, structured education has become essential.

In 2022, the Government of St. Kitts and Nevis introduced a nationwide initiative to incorporate consumer education into school curriculums. This initiative aims to provide students with practical knowledge on budgeting, saving, and making informed purchasing decisions.

The program covers key areas such as:

At the bottom of the page, there is an "Update" button. The browser's taskbar shows the time as 01:30 PM on 26-03-2025.
