## Description

Issue Description:

Home --> Store --> Filter --> selected type should arrive on the heading instead of all types

See attached screenshot/screen Record:

The screenshot shows a web browser window with the URL `affairs.digitalnoticeboard.biz/stores`. The page header includes the logo for the Consumer Affairs Department, St. Kitts & Nevis, and navigation links: Home, About Us, Stores, Useful Links +, FAQ, Contact Us, and a 'FILE A COMPLAINT' button. The main heading is 'Ministry of Industry, Commerce and Consumer Affairs'. Below this, a sub-heading is highlighted with a red box: 'A Look at Food Basket, Furniture And Appliances, Hardware And Building Materials, Medication'. A filter menu is open, showing 'Type' set to 'Furniture and Appliances', 'Category' set to 'Select', 'Zone' set to 'Basseterre Zone', and 'Store' set to '5 selected'. A date filter is set to '09-04-2025'. There are 'SEARCH' and 'RESET' buttons. Below the filter menu, there are radio buttons for 'Highest Price' and 'Lowest Price'. A table titled 'Price Collected in : 2025-04-09' is visible, with columns for Commodities, Brand, Unit, Best Buy, Daily Foods, Island Food, Kings Pavilion, and Valu Mart. The table shows prices for 'MEAT' items: 'Len Quarters' at \$11.00, 'No Name' at \$10.96, and another item at \$10.59.
