Description

The screenshot shows the admin interface for 'INFLUNCER IQ'. On the left is a navigation sidebar with options: Home, Post, Blog, Article, RSS Feed, Media, Users, Team Members, and Setting. The main content area features a 'Filter' section with a dropdown menu set to 'All', a search input field containing 'ssssssss', and two date input fields labeled 'Enter Start Date' and 'Enter End Date'. There are 'Search' and 'Reset' buttons, and a '+ New Post' button. Below the filter is a 'Manage Posts' table with columns: ID, Title, Status, Commnets, Author, Created At, and Actions. The table is currently empty, and a red-bordered box in the center of the table area contains the text 'No Post Found.' at the bottom of the page, there is a copyright notice: 'Copyright © 2025. All right reserved.'
