Target version:		Spent time:	1.00 hour
Description			
Suppose there are ids 33,32,31,30.....no i am deleting 32..it shows the latest one at top which is 33 gets deleted instead of 32 but after refreshing screen..it will display 33 on screen & 32 deleted..			

History

#1 - 06/22/2022 01:16 PM - priyanka Sharma

- Subject changed from Delete any lab report - it will show success message deleted successfully but still lab id showing there...its not getting deleted to Delete any lab report - after deleting showing wrong lab id getting deleted
