**Description**

The screenshot shows the RCS 2022 web application interface. A confirmation dialog box is displayed in the center, with a red border. The dialog box contains the following text: "Confirm", "Information saved successfully! Your Rotation Reference Number is:", and "Print your notification or close the form." Below the text are four buttons: "Close", "Cruise Movement Report", "Go to Inbound", and "Go to InPort". The background shows a form for creating an in-out-bound record with fields for Vessel, Voyage, UPLD, etc. The form is partially obscured by the dialog box.
