Description			
<p>1. If we made double same record in one excel then it should consider only 1 after uplaod..but it shows 2 entries of same weapon</p> <p>2. Type field - text case upper or lower shou;ld be same when we select dropdown in excel</p> <p>3. If we copy value of Type column it shows type dropdown to each column...</p> <p>4. In excel i have entered Is Individual No but when i edit it on my system it shows checkbox checked & no value appearing in type field</p> <p>5. If i edit any weapon uploaded from excel file then Is individual field no individuals showing in the dropdown</p> <p>clipboard-202207061433-jmnjd.png</p> <p>clipboard-202207061433-9zjsp.png</p> <p>clipboard-202207061438-xkgoy.png</p> <p>clipboard-202207061454-c87se.png</p>

1. If we made double same record in one excel then it should consider only 1 after upload ..but it shows 2 entries of same weapon--- Error Message will be display
2. Type field - text case upper or lower should be same when we select dropdown in excel-- Done
3. If we copy value of Type column it shows type dropdown to each column....- It is Excel feature we can not control that.
4. In excel i have entered Is Individual No but when i edit it on my system it shows checkbox checked & no value appearing in type field--- Done
5. If i edit any weapon uploaded from excel file then Is individual field no individuals showing in the dropdown--- Done
