The screenshot shows the SailClear web application interface. At the top, there is a navigation bar with the SailClear logo and several menu items: Dashboard, Vessels List, Crews List, Weapons List, Arrival Notifications, and Departure Notifications. Below the navigation bar, there is a progress indicator with seven steps: Voyage, Individual, Health, Covid, Weapons (5), Additions (6), and Review (7). The main content area is titled 'Weapon List' and contains two tables. The first table, 'Available', has columns for Type, Manufacturer, Serial Number, Caliber, and Action. It displays one entry: a Hand gun from Blake and Co. with serial number TH097766 and caliber 3.16. The second table is empty. The browser's address bar shows the URL 'sailclear2022-training.cclec.org/notification/save?type=arrival'. The user is logged in as 'Shubham'.
