Curewell Therapies-Android - Bug #3238

Notifications icon> Getting notification from doctor application but not able to see notification count ,number of count always displaying zero

07/18/2022 12:02 PM - Abhishek k

Status:	Feedback		**Start date:**	07/18/2022
Priority:	Normal		**Due date:**	
Assignee:	Ajit R		**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour

Description

Steps to reproduce :-
a. Book An Appointment from Patient application.
b. Reject the appointment from doctor application.
c. Now Check the notification count in Patient application.

Expected:-if doctor will approve/reject the appointment then notification count should be increased in patient application.
