Target version:	2.0.6	**Spent time:**	0.00 hour

Description

For the table booking after selecting time, day, number of people there should be ask for personal details button
That button will navigate to details page where field will be
1 Customers name 2 surname 3 mobile number 4 mail Id
then will navigate to the waiting for restaurant's response page

History

#1 - 10/11/2021 10:05 PM - amir r

- Status changed from New to Resolved

- Target version set to 2.0.6

As per discussion with manoj sir, This feature will not be included on table booking. because we are already getting user details by kanzo account profile.
