MIIS User app - Bug #3785

After Order the Product >getting message on screen > "you Order has been placed successfully" change to "your Order has been placed successfully"

08/22/2022 10:50 AM - Pravin J

Status:	New		**Start date:**	08/22/2022
Priority:	High		**Due date:**	
Assignee:	Narendra Singh		**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour

Description

1.when we order the product getting message "you Order has been placed successfully" change to "your Order has been placed successfully"

2.when we add extra information getting message "you extra information has been added successfully" change to "your extra information has been added successfully"
