Target version:		Spent time:	0.00 hour
Description			
URL-> master management-> item master-> New item There no sub-category and without sub category items cant be added.			

History

#1 - 07/29/2021 02:48 PM - rajat gupta

- Status changed from New to Resolved

sub-category is required for item and its is depends on Category so you have to select Category which have sub-category to create item.
