Description			
Step to reproduce the bug:			
some fields are coming up on this page I don't know where the value is coming from because no field for post properties in this name, For eg (Living area, Floor Area, and Land Area) Please discuss with dharmveer sir which fields values should be seen on the manage property page			
2. Amenities name does not show in full on this page			
3. Office on rent --> Student pg --> independent home --> Type of property These fields are different so please according to the type of property should value is shown on manage property page
