Description

1. If I listen chapters 1,2, 3.. and 3rd chapter is half read.. now I left or kill the app then 1st of all If I again come to my queue page it should start from 3rd chapter on click of listen
2. 2nd issue is if I have 3, 4 books in queue & I am playing 1st book...after killing app sequence of books seems changed. It shouldn't be like that. Please keep same sequence until I finish the one app
