<b>Description</b>			
<p>1. We have to make subscription dynamic for other countries as well like if user is in India it will show amount in INR &amp; if user is using this app in another country then it should show amount in dollars. Please keep the price amount same as in the attached screenshot. clipboard-202303101612-86bso.png</p> <p>2. And the subscription discounted amount which we have added from admin panel should shown on frontend to users. clipboard-202303101615-os6lh.png check attached screenshot ..this annual discounted &amp; original amount should be dynamic.</p>
