

Quikrbox Delivery Boy App - Bug #7179

Registration form > If user has filled details up to license form & on bank details screen he logs out from the app & then he logs in after some time then it again asks to fill all previous details which he already filled....from the starting. It's wrong

Target version:		Spent time:	1.00 hour
Description			
User should be able to see the screen where he left or logged out from the app			

History

#1 - 07/17/2023 04:31 PM - Deepak Biltoria

It's an issue from the backend side due to the incorrect value of the key "verify"

The backend team has notified us that this issue occurs in cases of duplicate numbers or manually modified data (which is bound to happen during the development phase).
