

Quikrbox User app - Bug #7325

Still receiving OTP in app. It should come through mobile application

08/24/2023 05:05 PM - Manoj kumar

Status:	Closed	Start date:	08/24/2023
Priority:	Normal	Due date:	08/25/2023

Target version:		Spent time:	0.00 hour
Description			
Also OTP should get entered automatically but screen should not. User must be able to submit it by manually clicking on the button. If client hasn't suggested to do so. I think there is design difference of OTP screen too. It must match to the design exactly or similarly if possible but not differently. To share with me the idea of how it looks please share its screenshot.
