

Quikrbox Web Store - Bug #8155

Add product form - check issues below

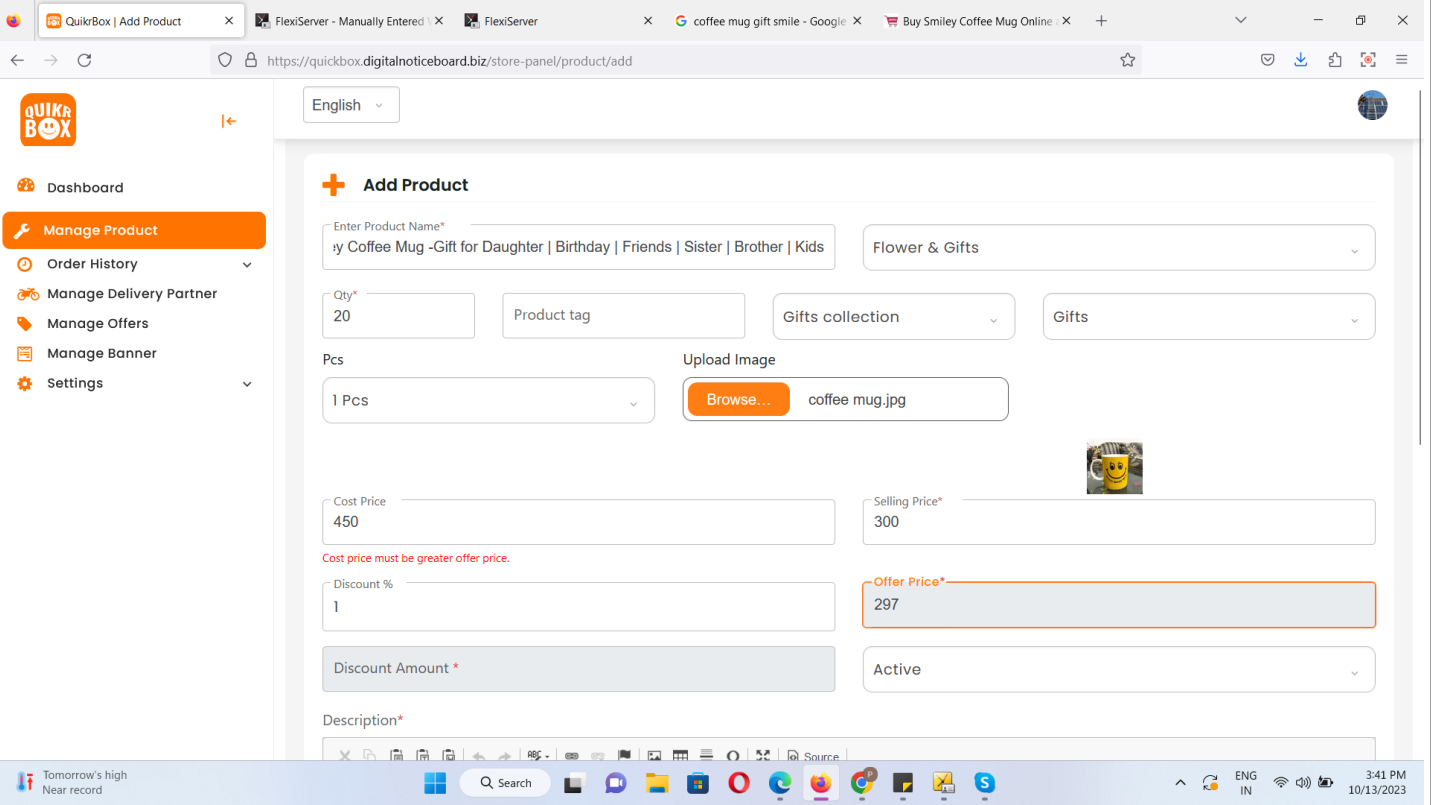

10/13/2023 04:11 PM - priyanka Sharma

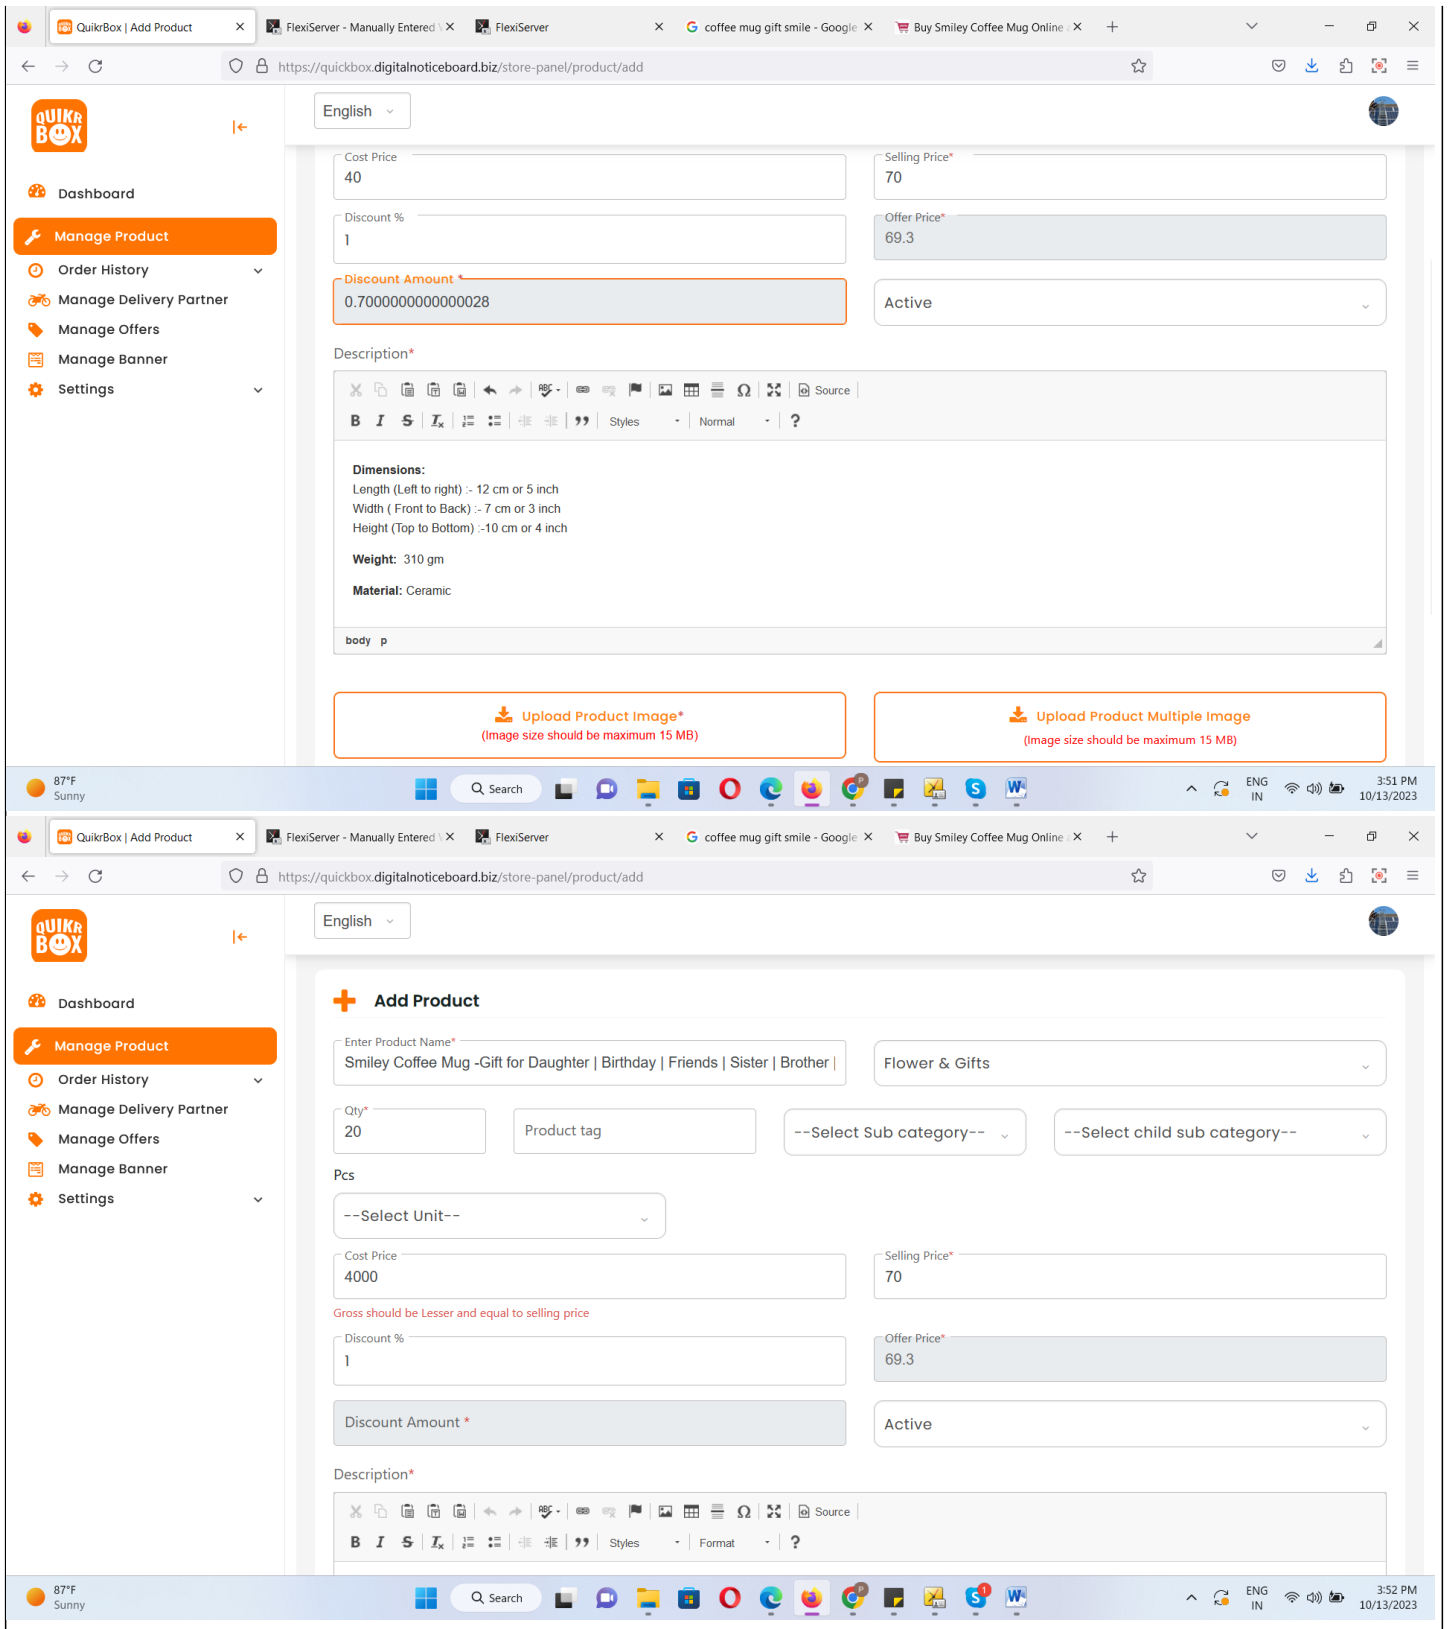

Status:	Closed	Start date:	10/13/2023
Priority:	High	Due date:	
Assignee:	Irfan Varis	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour

Description

1. Replace Error message Gross should be Lesser and equal to selling price - "Cost price should be Lesser and equal to selling price "
2. Not able to upload product 2nd image
3. Discount amount should be in round off value
4. 1st Image uploaded but after saving still asking image is required
5. Error message should remove automatically after fill required fields or correct the error fields
6. Fields reset after saving the form
7. not able to add product form
8. Error message for cost price field is wrong" Cost price must be greater offer price." Message should be "Cost price must be smaller than offer price."
