

MapzApp_Android - Bug #906

Invite mail page

12/22/2021 03:23 PM - prachi chaurasia

Status:	Closed	Start date:	12/22/2021
Priority:	Normal	Due date:	
Assignee:	shefali srivastav	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Summary : Invite email format not looking good.			
Steps to reproduce:			
1. Login with valid credentials.			
2. Then click on the friend icon >>click plus"+" icon.			
3. Enter valid email >> then click send invite button.			
4. Open corresponding email.			
5. Email format should be displayed good and proper message should be visible.
