### Description

Issue description:

1. If the user Return more than 1 product then the Total Refund amount should be shown once instead of each product
2. The return product image does not appear on the details page Need to fix
3. Return image should be scrollable need to add scroll functionality ( means the store applicant can scroll from one image to another image )
4. amount --> after the point show 2 digits only ( make roundoff amount) eg: 19814.62

Store id --> 7535064628

User id --> 7870691060

See attached screenshot & Record :
