| <b>Description</b>  |           |                        |            |
| Summary: Remove unnecessary text, play and pause button is missing.               |           |                        |            |
| Steps to reproduce:   |           |                        |            |
| 1. Go to the admin page.  |           |                        |            |
| 2. Click on the all event diary >> open all event list.                           |           |                        |            |
| 3. Then click on the user>> 077 >> eye icon button>> redirect event details page. |           |                        |            |
| 4. Unnecessary displayed text should be removed.                                  |           |                        |            |
| 5. Admin should be able to play the audio.  |           |                        |            |
| 6. Play and pause button should be displayed in videos                            |           |                        |            |
