History

#1 - 04/12/2024 01:09 PM - Shubham J

- Subject changed from Lonk Of the Different roles should be different to URL Of the Different roles should be different

#2 - 04/22/2024 06:39 PM - Naveen Deswal

- Status changed from New to Resolved

We have login URL for Admin role and we don't need other URL's for login purpose.

#3 - 04/23/2024 10:32 AM - Shubham J

- Status changed from Resolved to Reopened

Admin is able to login in <https://nutraceutical.digitalnoticeboard.biz/>.

#4 - 05/03/2024 12:53 PM - Naveen Deswal

- Status changed from Reopened to Resolved

If Admin will login through his credentials from principal/distributor URL, he will get the toast message that "You are not authorized to login".
