### Description

The screenshot shows the AllyDoc sign-in page. The browser address bar displays "allydoc-web-staging.digitalnoticeboard.biz/patient/sign-in". The page features the AllyDoc logo at the top. A central white sign-in modal is displayed with the heading "Hey, Welcome !" and the sub-heading "Sign in to continue". The form includes an "Email Address" field, a "Login Code" field (highlighted with a red box), and a "Password" field. Below the password field are checkboxes for "Show Password", "Remember Me", and a "Forgot Password?" link. A blue "Sign In" button is positioned below the form. At the bottom of the modal, there is a link for "Sign In as doctor" and a link for "Don't have an account? Register".
